TO THE MEMBERS OF ISLE OF SKYE RENEWABLES CO-OPERATIVE LIMITED

We have audited the financial statements of Isle of Skye Renewables Co-operative Limited for the year ended 31 December 2010 set out on pages 5 to 8. The financial reporting framework that has been applied in their preparation is applicable law and the Financial Reporting Standard for Smaller Entities (effective April 2008) (United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities).

This report is made solely to the co-operative's members, as a body, in accordance with Section 9 of the Friendly and Industrial and Provident Societies Act 1968. Our audit work has been undertaken so that we might state to the co-operative's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the co-operative and the co-operative's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Directors' Responsibilities Statement set out on pages 1, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Co-operative's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the Co-operative's affairs as at 31 December 2010 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities; and

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2010

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

1.2 Compliance with accounting standards

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated).

1.3 Turnover

Turnover represents amounts receivable from the royalty instrument for share of revenues less operational expenses net of VAT. The royalty instrument has a loan note element which ensures that net revenues will not fall below a certain level. Any excess of the loan note minimum payment over the share of revenues less operational expenses (if applicable) is dealt with as interest income.

1.4 Royalty instrument

The Royalty Instrument represents an amount paid to secure an entitlement to a share of income less related costs from electricity and environmental attributes for a period of 25 years. The royalty instrument has a loan note element which ensures that net revenues will not fall below a certain level. The purchase price is repayable in full at the end of the term so no amortisation is provided.

1.5 Investments

Fixed asset investments are stated at cost less provision for diminution in value.

2 Operating profit

	2010	2009
	£	£
Operating profit is stated after charging:

12 Related party transactions

The management services of the Co-operative are carried out by Energy4All Limited, a company which specialises in assisting in the setting up, development and management of renewable energy co-operatives. Isle of Skye Renewables Co-operative Limited holds one share in this company. Energy4All Limited negotiated the royalty instrument with loan note on behalf of the co-operative and arranged the share offer.
